| 11. What did you particularly like in this subject? | 12 | Open question | 60 |
|---|----|---------------|----|

- 11.1 The variety of learning opportunities, the quizzes to keep us on track and the assignments.
- 11.2 Nick Manganas is an amazing teacher. Very helpful and empathetic at how hard starting new language is, yet also challenging enough to make you think and push you to really learn each aspect of the course. Beyond satisfied.
- 11.3 Great teacher and taught great spanish
- 11.4 The interactive tutorials
- 11.5 Nick is the best!
- 11.6 The hands on engagement and workshops that are detailed with a great teacher.
- 11.7 Nick was a great teacher and I feel like I've learned so much this semester. This subject was really interesting and I want to continue to learn Spanish.
- 11.8 Nick is one of the best teachers I've ever had. Muy bien!
- 11.9 The thing I like the most about this subject is the teachers constant help, it was above and beyond what I expected.
- 11.10 Nick was great and supportive in everyone's learning.
- 11.11 Saying Nick was the best tutor I have had across my 9 years at uni with UTS and WSU would not do him justice. Many times he went above and beyond what other tutors have shown to really try and get the best for and out of his students. He spent a lot of time with myself and the group I was with to assure us that we were capable of learning and gave us everything we needed to achieve good marks. He even organised for us to see a movie at the Spanish Film festival which to date is my best uni experience so far.

- I feel that I cannot give enough praise and thanks to Nick for what he has done for our class this semester.
- 11.12 Nick was great. Very patient and careful in answering questions so as to not dive into complex grammatical rules not applicable to Spa1, whilst still explaining what should be said.

| 12. Please suggest any improvements that could be made to this subject. | 8 | Open question | 40 |
|---|---|---------------|----|

- 12.1 none
- 12.2 Going slower
- 12.3 Cleaner structure on uts online. To be able to follow/ catch up easily if you miss class
- 12.4 None that can come to mind.
- 12.5 None.
- 12.6 The workbook should be much more organised. and organised in order of how we work through the content. Skipping from page to page made it extremely difficult to make notes and practice what we have learned
- 12.7 My only suggestion would to make our activity books in the order of what we are learning. They jump all over the place and it makes it hard to keep track of and find the material quickly.
